### **Blue & Co., LLC Announces New Leadership at Lexington Office**

Lexington, KY. (April 9, 2021) – Blue & Co., LLC is proud to announce that Jennifer Miloszewski has been appointed to succeed Greg Mullins as the Lexington, KY Office Director-in-Charge, effective January 1, 2021.

“I’m excited to have more of a leadership role at Blue & Co.,” said Miloszewski. “It will be interesting to be more involved in all the parts of what our firm and office do, rather than focusing primarily on the audit and assurance area.”

Miloszewski began her career at Blue & Co. in February 2011 and has since had a focus on traditional audit and assurance services and consulting, working closely with construction groups and with other closely-held business on a variety of technical and operational matters. Miloszewski currently chairs the Construction committee at Blue & Co.

Prior to coming to Blue, Miloszewski was the Vice President of Finance at a local mechanical contracting company, and previously had been employed with KPMG, LLP and Arthur Andersen, LLP where she performed and managed audits of clients in a variety of industries.

She is also heavily involved in the Lexington community. Miloszewski is a board member and treasurer for the Carnegie Center for Literacy and Learning, serves on the Board of Trustees and Finance Committee of Lexington Catholic High School, and serves on the Finance Council of St. Paul Church.

“I am so proud to serve this community through Blue,” said Miloszewski. “It’s my goal to continue to build on Greg’s legacy and strengthen our firm’s role as a resource for the Lexington community.”

Mullins served as the director-in-charge of the Lexington office of Blue & Co., LLC for more than 15 years. He will be transitioning back to a director role where he will be able to leverage his considerable experience and expertise to support the growth and development of the Lexington office.
